

2015 Veteran Roof Coating Non Profit Project

GIVING BACK TO OUR LOCAL COMMUNITY...

Philanthropy is something we said yes to from the beginning! Each year we have completed at least one major roof restoration for a local qualified Veteran within the community at no cost to them.

Our first was for a Veteran in Fort Collins, CO which received a 50 year warranty roof coating from our 2014 profits. The photo above is from our most recent project completed in August of 2015 for another Veteran in Laporte, CO with the same product and warranty.

We hope to establish our Non Profit 501c3 in the near future to reach out to many more Veterans within our local community.

Please help us by going to our Facebook page and clicking "Like" to support our cause! Cash/Material Donations help as well!

WHO WE ARE

We are Veteran owned and locally operated with a vision of providing any service/repair needed for residential and commercial properties. We believe in providing Quality Work, Timely Service, at an Affordable Price.

All photos are projects completed by Read's Roofing & Repair LLC.

READ'S ROOFING & REPAIR LLC

P.O. Box 200106

Evans, CO 80620

Licensed & Insured

READ'S ROOFING & REPAIR LLC

Your one-stop roofing and repair solution, with service you can trust, quality you can afford, & timely service. We give Free Estimates and offer 24/7 Emergency Services.

We offer many other services such as HVAC, Siding, Fence, & Deck service/repair!

COMMERCIAL AND RESIDENTIAL PROJECTS

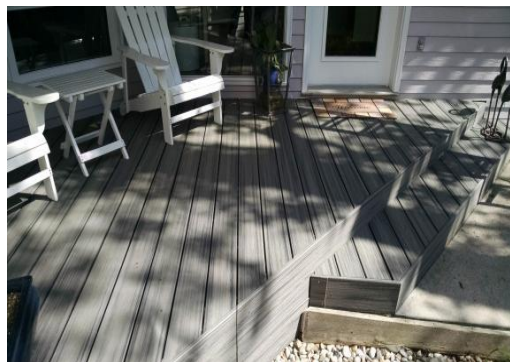

We have completed over 250 projects since starting our company in January 2014. We specialize in roof restorations on commercial buildings, coatings, and minor/major repairs.

Currently we manage a large commercial account in Fort Collins, CO with over 30 Commercial properties and have a 6 hour response time for leaks.

Residential projects are re roofs, leak repairs, coatings and estimates for customers that are selling their homes. We also complete new construction roofing.

We warranty 100% of our work for a minimum of 1 year protecting against leaks which includes Labor and Material costs. Some of our products also carry 50 year manufacturer warranties.

CARPENTRY, DECKS & FENCES

"Phillip is a great communicator, always making sure we were apprised of his plans (e.g. dates / times he would be on site, etc.). Most importantly, his work is top quality."
~ Mike R.

Custom Oak Wine Barrel Island for a customer in Loveland, CO. We specialize in custom carpentry work of all kinds!

HVAC SERVICES

We offer various types of heating and air repair and install services for both Residential and Commercial projects. We are Universally Certified in HVAC and currently hold an EPA Certification as well.
